Hello Ms. Orms,

I understand that you previously spoke with my colleague Cynthia Ruelas on clarification on one of the bullet points in your FOIA request pertaining to the Clean Harbors Los Angeles facility. I wanted to follow up with you to get clarification on the scope of the request.

Is it your intention to also include internal communication records on the Clean Harbors Los Angeles (in regards to the five bullets)?

Thank you for your assistance in understating the scope of the request. Feel free to call or email!
